

**PANEL WIDTH CHART****(in inches)**

Dimensions shown are out-to-out of bearing bars (Add 1/4" for extended cross rods)

| <b>No. of Bars</b> | <b>1/8 Bar</b> | <b>3/16 Bar</b> |
|--------------------|----------------|-----------------|
| 2                  | 1-1/16         | 1-1/8           |
| 3                  | 2              | 2-1/16          |
| 4                  | 2-5/16         | 3               |
| 5                  | 3-7/8          | 3-15/16         |
| 6                  | 4-13/16        | 4-7/8           |
| 7                  | 5-3/4          | 5-13/16         |
| 8                  | 6-11/16        | 6-3/4           |
| 9                  | 7-5/8          | 7-11/16         |
| 10                 | 8-9/16         | 8-5/8           |
| 11                 | 9-1/2          | 9-9/16          |
| 12                 | 10-7/16        | 10-1/2          |
| 13                 | 11-3/8         | 11-7/16         |
| 14                 | 12-5/16        | 12-3/8          |
| 15                 | 13-1/4         | 13-5/16         |
| 16                 | 14-3/16        | 14-1/4          |
| 17                 | 15-1/8         | 15-3/16         |
| 18                 | 16-1/16        | 16-1/8          |
| 19                 | 17             | 17-1/16         |
| 20                 | 17-15/16       | 18              |
| 21                 | 18-7/8         | 18-15/16        |
| 22                 | 19-13/16       | 19-7/8          |
| 23                 | 20-3/4         | 20-13/16        |
| 24                 | 21-11/16       | 21-3/4          |
| 25                 | 22-5/8         | 22-11/16        |
| 26                 | 23-9/16        | 23-5/8          |
| 27                 | 24-1/2         | 24-9/16         |
| 28                 | 25-7/16        | 25-1/2          |
| 29                 | 26-3/8         | 26-7/16         |
| 30                 | 27-5/16        | 27-3/8          |
| 31                 | 28-1/4         | 28-5/16         |
| 32                 | 29-3/16        | 29-1/4          |
| 33                 | 30-1/8         | 30-3/16         |
| 34                 | 31-1/16        | 31-1/8          |
| 35                 | 32             | 32-1/16         |
| 36                 | 32-15/16       | 33              |
| 37                 | 33-7/8         | 33-15/16        |
| 38                 | 34-13/16       | 34-7/8          |
| 39                 | 35-3/4         | 35-13/16        |
