Questions and Answers Sheet

q1. How much do the button holes protrude from the surface of the tread?

a1. The surface of the tread should be a complete surface so that dirt is not collected.

q2. Are you looking for nosings with specific lengths?

a2. We require 1-1/8" lips or nosings that run the entirety of the tread both 45 1/2" and 42 1/2". The 4" and 9" measurements are the width of the tread.

q3. Do you require a specific color?

a3. Aluminum finish is acceptable.
